Join us for a Presentation, Behind the Scenes Tour and Food & Drink

Join APICS Milwaukee Chapter for a Behind the Scenes Tour of Miller Park. The tour is coupled with a presentation by the General Manager of Delaware North, the food, beverage and retail operators of the ballpark. The presentation will focus on the forecasting methods used to predict the needs of the park with such unpredictable variables. Planning is affected by weather, opponents and giveaways. Ken Gabor is going to let us in on some of the secrets to Delaware North's success.
